2017 Summer STARS

Our summer **STARS** program will be filled with learning, STEM, summer fun, and enrichment. Students will have a multitude of learning and enrichment activities, and students will participate in a special activity each Thursday. Total cost for the summer program is \$20.00. This will cover all activities, trips, and snacks. Return attached Pre-Enrollment Slip and your money by May 1 to sign up. See **STARS** directors if you have questions or call KMS at 375-6607.

Parents,

Thank you for participating in our surveys this month. The Kingfisher STARS 21st Century CCLC is funded through a federal grant, the USDE, and the OSDE. As a result, we must follow both state and federal grant guidance. We truly appreciate your support of our STARS program.
